

# GLOBAL BUSINESS ADVISORY SERVICES

FTI exists to help companies and their stakeholders protect and enhance enterprise value in an increasingly complex economic, legal and regulatory environment. We are the trusted advisor entrenched in many of the game-changing events that make headlines, move markets and create business history.

## OUR GLOBAL PLATFORM

*More than 2,300 professionals in every major business center around the world work everyday to help our clients confront their toughest issues.*

## THE COMPANY WE KEEP

*FTI professionals have earned the trust and respect of powerful corporate leaders, as well as their advisors, lawyers, lenders and investors. Our client list is comprised of many of the Global 1,000 as well as a majority of the largest 25 banks and top 100 law firms in the world.*

## UNMATCHED BREADTH OF SERVICES

FTI offers advisory services that are strategically aligned with the challenges our clients face. We address a broad range of issues in the areas of corporate finance, performance, governance, liability, technology, reputation management and external regulation.

## UNRIVALED TALENT

FTI advisors draw upon their multidisciplinary proficiency and capabilities to address high stakes challenges. Bolstered by industry-leading technologies, our professionals offer clients their unparalleled expertise as former C-suite executives, government agents, prosecutors, law enforcement officials, SEC accountants, crisis communications professionals and reputation management experts. These recognized authorities in their respective fields surround today's highly charged issues in a way that only those with the right mix of professional credentials, industry knowledge and applied experience possibly can.

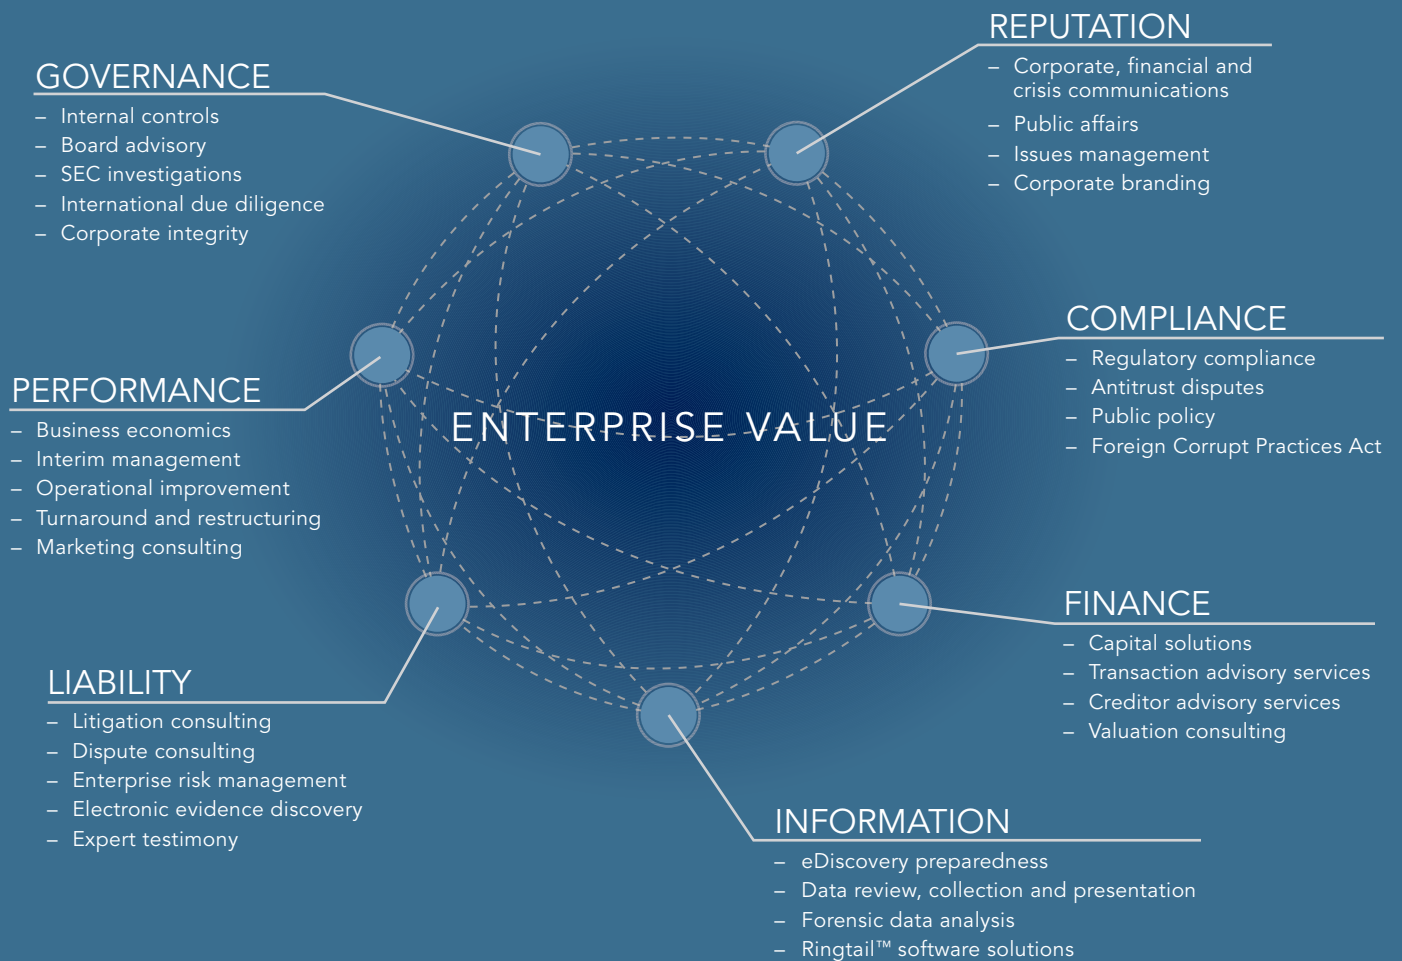

## REMARKABLE RESPONSE

FTI takes direct action with a powerful balance of high-level advisory services and daily hands-on problem solving which work in combination to overcome business challenges for both immediate and sustainable impact. FTI has successfully executed solutions for many of the highest-profile corporate challenges over the past two decades.

# PROTECTING AND ENHANCING ENTERPRISE VALUE

The FTI service model provides a single source that addresses the interrelated issues that can affect enterprise value. Our goal is not just to solve problems, but to anticipate them, surround them and deliver solutions that are immediate and sustainable.
